

Welcome to Simulated Sports.ie, proudly celebrating a decade of being the country's number one provider of sports simulators (sale or hire) across Ireland.

Immerse yourself in the thrill of sports like never before with our state-of-the-art sports simulators available for hire. Whether you're a soccer aficionado, a rugby enthusiast, or a golf pro, our simulators bring the action to life with stunning realism. Perfect for corporate gatherings, our sports simulators offer an interactive and entertaining experience for participants of all skill levels. From precision golf swings to penalty kicks at the Aviva stadium, our cutting-edge technology ensures an immersive and unforgettable sporting adventure.

We are a **one-stop shop** for your event. We will look after all the elements of your event from the branding (design & print), logistics, co-ordination, and the running of the event. We will also keep your branding on site (for a nominal fee) should you wish to hire our simulators again.

We have Golf, Rugby, GAA, Football, Motor Sports, as well as options for American Football, Aussie Rules and novelty Soccer Golf.

Elevate your event and let the games begin with our top-tier sports simulators. **Some of the clients we have worked with are:**

About our simulators:

Space:

The most important thing is space. Our mobile simulators are not gigantic, but they do require a decent amount of space for set-up.

Requirements: The space must be

1. Ground floor with good access to allow us to deliver, install and setup the simulator with minimum disruption.
2. A minimum 10ft height & 16ft of width clearance to set up in, and at least 16ft unobstructed depth to allow for the machine itself so that the players have room to take a run at the ball.

If space is an issue, we have an outdoor enclosure that can be hired at an additional cost. (Details below)

Pricing:

Hire of our simulator (football, Golf, Rugby, GAA) start from €1050 per day hire ex branding and ex VAT (23%)

Travel costs €100 per hour outside of Dublin. Multiple Day Hire discounts on request

Branding:

Marketers and Event Managers know that it's all about making an impression and we can help make a good one on your guests/clients/prospective customers/target market with some on screen, and in-housing branding options.

From pitch-side advertising hoardings, right through to the frame of the simulator itself, we have a wide range of options available.

On-screen digital Stadium Branding	€220
Front Frame Branding	€360
Side wall Branding	€650 per wall
Cafe Banners (2)	€190

Past Installations

To give you some examples, this setup for Dell has:

- ✓ on screen digital branding,
- ✓ front frame branding,
- ✓ side wall branding

This setup for Guinness has:

- ✓ on screen digital branding,
- ✓ front frame branding,
- ✓ side wall branding
- ✓ Café banners

Setup takes approximately 3 hours, and our recommendation is for an activation period of 2.5 to 3 hours. It takes approximately one hour to dismantle it.

Outdoor Enclosure Hire

Ideally our simulators are for indoor use but if you have an outdoor event don't worry - we have you covered! Light control is vital so we can supply our outdoor inflatable enclosure.

Requirements:

Our outdoor enclosure is not small, and so it requires a space that is 6m x 6m with a 4.5m clearance. Wind is not its friend so ideally it needs to be situated somewhere **sheltered**. Unfortunately, if it is too windy or with gusts in excess of 30 km/h it is not advisable to go ahead.

Day Hire	€400
Generator Hire	€150
Uplighters (2)	€120
Enclosure Branding	€775

All prices ex vat 23%. Multiple Day Hire discounts on request

Get in touch today if you would like more information or to book one of our simulators for your next event.
